

# Coastal Family Insurance

Your Local Agency for

*Florida Blue* 

## Enrollment Checklist

- Please bring your social security card
- Please bring your prior coverage
- We need your drivers license and proof of address.
- Coastal Family Insurance will assist you with your federal application. Please check your email for the signature request on the authorization form required by CMS. (Center for Medicare and Medicaid).
- During the enrollment process Coastal Family Insurance will display your federal application on screen and ask you to verify all information entered during the enrollment process.
- We may need to call the marketplace to have this agency authorized. We request that you authorize for the year encase other help is needed.
- After we complete your enrollment, you will need to login at [www.healthcare.gov](http://www.healthcare.gov) and create a new account. We will provide you with the application number needed to link the applications.
- If you receive any emails or mailed requests from the federal marketplace after your enrollment is complete, please let this agency know as soon as possible to prevent loss of Premium Tax Credit or loss of coverage. Very Important!!
- Welcome to our Coastal Family!
